

## Invitation to dollar match

Dear Sir/Madam,

### Invitation to dollar match my fundraising efforts.

I am hosting a [Feast for Freedom](#) on **INSERT DATE** in aid of the [Asylum Seeker Resource Centre \(ASRC\)](#).

The ASRC is a place of refuge and hope for more than 7,000 people seeking asylum in Australia each year.

The ASRC needs funds now more than ever – with inflation and the spiralling cost of living, people seeking asylum are more reliant on their services. Donations help the ASRC provide essential food, shelter and health services to people on their journey to freedom.

I would like to take this opportunity to invite **ADD ORGANISATION NAME** to dollar match my fundraising efforts.

### Dollar matching can really make a difference:

- Support the efforts of your employees
- Make a difference by supporting a worthwhile cause
- Adhere to your Corporate Social Responsibility
- Receive a Tax Deductible Gift Receipt (for eligible beneficiaries)

If I raise **\$1,000** with my Feast for Freedom we would provide an entire year's worth of vital medicine to a young family seeking asylum, and with **\$1,500** we can help feed a family for six months, ensuring they have a variety of fresh fruit and vegetables.

### If you are in a position to dollar match my fundraising efforts, the steps are quite simple.

1. Visit my fundraising page here - **ADD YOUR PAGE URL**
2. Enter the dollar amount on the left hand side
3. Select 'Company' to enter the relevant details.

Once you've processed the payment you will automatically receive a receipt via email.

Alternatively, you can submit an offline donation by sending a cheque or making a bank transfer directly to the Asylum Seeker Resource Centre. For further information, please contact the team on [feastforfreedom@asrc.org.au](mailto:feastforfreedom@asrc.org.au).

Thank you for making a difference.

Sincerely,
